13 September 1956

MEMORANDUM FOR: Project Director of Administration

SUBJECT : Revised Personnel-Requirement Estimate for Test
Site Following Deployment of Base C

1. Together with [] the attached revision was made to the personnel needed at the Site following deployment of Base C.

2. You will note that there are three columns (1) personnel to be released following deployment of Base C, (2) personnel to be released following completion FOG, and (3) personnel required until the installation is closed.

3. It must be understood that this is just an estimate based on [] experience. He does not want his estimate to prejudice anyone's point of view when you have the conference with the Site CO on 21 September.

[]
